Discounts for Applicants and Students to Support International Student Recruitment (DISCOUNTS)
Effective: from the 2027-2028 academic year

TYPE OF DISCOUNT	DESCRIPTION OF THE DISCOUNT	DISCOUNT RATE*	PERSONS APPLICABLE
EARLY APPLICATION (EARLY BIRD DISCOUNT)	If you apply by March 31 of a given year, you will receive a tuition fee discount on the first year's tuition fee, provided that you pay the first year's tuition fee by the deadline.	A 20% discount on the first year's tuition fee, except for the Professional Pilot BSc program, where the discount is 10%	new fee-paying applicants (including those referred by an agent)
NEW APPLICANT RECRUITED BY CURRENT STUDENT (REFER A FRIEND)	**Recruited students** receive a tuition discount during their third active semester of study, provided they have not taken advantage of any other type of discount. If **a current international student** recruits a new student, the current student will receive a tuition discount during their next active semester, up to the specified limit, once the recruited student has enrolled with active status for that semester.	A 15% discount on third-semester tuition fee, except for the Professional Pilot BSc program, where the discount is 10% Students receive a 15% discount (per recruited student) on tuition for the next active semester for new students they have recruited and who are enrolled with active status. The discount for a given semester may not exceed 60% of the recruiting student's tuition. If the recruiting student completes their studies during the semester in which the recruited student(s) enroll, the discount will be applied during the semester of graduation..	new fee-paying applicants current fee-paying students—those enrolled in the Professional Pilot BSc, Professional Pilot Training, Aviation Specialist, and Aviation Engineer programs—are not eligible for the current student recruitment tuition discount
CURRENT STUDENT CONTINUING EDUCATION DISCOUNT	Tuition discount for current students who, after completing their studies, choose to continue their education at the University of Nyíregyháza and enroll in a new or parallel programme.	A 20% discount on tuition for new or parallel study programmes for the entire duration of the programme (as per the sample curriculum). Advance payment of one semester's tuition is required for the final admission decision to be issued. This discount does not apply when selecting the Professional Pilot BSc	current students at the University of Nyíregyháza who are applying for a new or parallel fee-paying programme

		programme as a new or parallel study programme.	
REDUCED TUITION FEES	The reduced tuition rate applies to third-country nationals who are dual citizens and hold a second citizenship from an EU member state, as well as applicants from the EU, the EEA, Turkey, and citizens of countries that allow visa-free stays of up to 90 days.	Reduced tuition fees apply for the entire duration of the program (as specified in the sample curriculum) in accordance with the resolution approved by the Senate regarding the list of programs offered in English to fee-paying international students and the tuition rates applicable for the given academic year.	new fee-paying applicants (including those referred by an agent)
DISCOUNTED TUITION FEES FOR UNSUCCESFUL STIPENDIUM HUNGARICUM (NON-NOMINATED/ALLOCATED) APPLICANTS	A discount on tuition fee for the entire duration of the program is available to third-country nationals whose applications to the Stipendium Hungaricum / Diaspora scholarship program were rejected in the year of application.	A 35% discount on annual tuition fee for the entire duration of the program (as specified in the sample curriculum), with the exception of the Professional Pilot BSc program, for which the discount is 5%. The discount is not granted automatically; the eligibility requirements are outlined in the offer sent by the university during the relevant application period.	For applicants who applied as new students under the SH/DFP program during the given admission period and were rejected, and who, following the rejection, apply for self-funded study during the same admission period (does not apply to applicants referred by an agent)

A student may claim only one discount at a time—with the exception of the "Refer a Friend" discount for recruiting students.

* Applicants to the Professional Pilot Training (Higher-Level Vocational Training), the Aviation Specialist Postgraduate Course, and the Aviation Engineer Postgraduate Course are not eligible for tuition discounts.
